Vaccines and Coronavirus

Vaccines

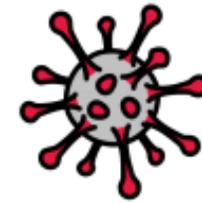

stop

us feeling

sick

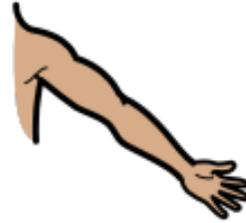

from

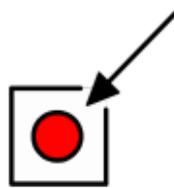

Coronavirus.

I will see a special health worker to get my vaccine.

They will wipe my arm to clean it.

They will put the vaccine in my arm with a needle.

It may hurt for a second. It can feel like a small scratch.

This is ok. It will keep me safe.

I can

take deep

breaths

to

help

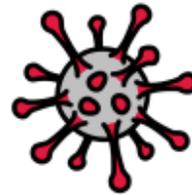

me

stay

calm.

After I will be safe from Coronavirus and I won't

get sick.

Thank you

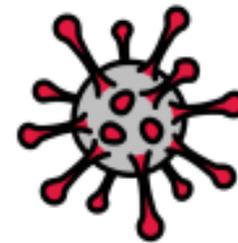

for

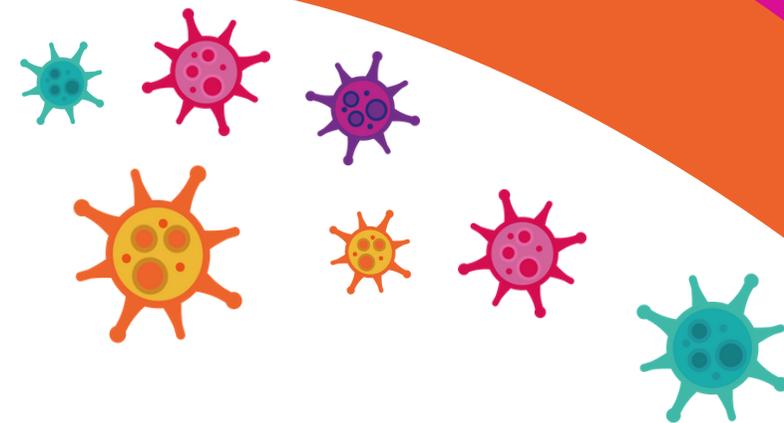

helping

stop

Coronavirus.
