

Testing for  
COVID-19

SEND resource pack

Symbol-Assisted Story

Coronavirus has changed a lot in our world

Coronavirus has changed a lot in our world.

Now

we should

wash our hands

more.

We should try to socially distance.

We might be

told

we need to

stay at

home.

Washing our hands, social distancing and staying at

home

when

told

help

keep us

safe.

Testing

is another way to

help

stay

safe.

Testing

helps

us

see

where

Coronavirus

is.

Doing a

test

means we

help

everyone

stay

safe.

Thank you

for

helping

stop

Coronavirus.
