

Testing for  
COVID-19

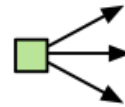

# SEND resource pack

Praise Stories

I have been taking Lateral Flow Tests

I have been taking Lateral Flow tests.

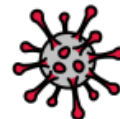

I am helping to stop Coronavirus spreading.

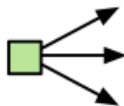

I have been taking Lateral Flow tests.

I have stayed calm and followed the instructions.

The test shows me if I have Coronavirus and

helps stop it spreading.

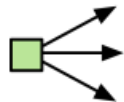

I have been making good choices and staying

safe.

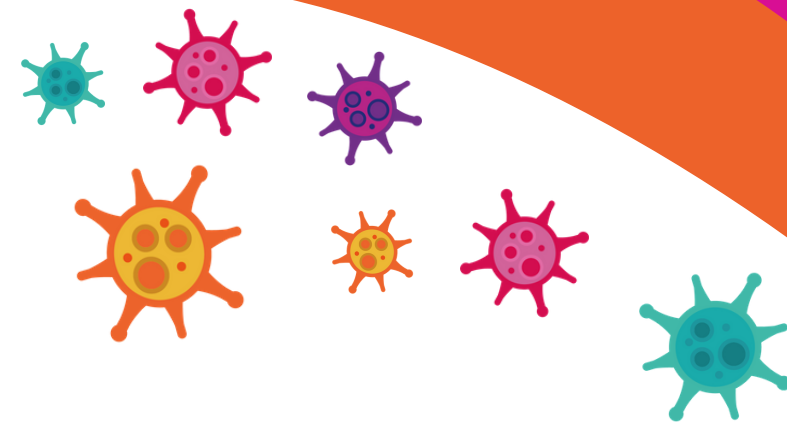

Tests helps us see where Coronavirus is and

stop it spreading.

I have helped stop Coronavirus.

Resources co-created with and from an original concept by LifeLab, based at the University of Southampton, Southampton Education School and NIHR Southampton Biomedical Research Centre. The views expressed are those of the authors and not necessarily those of the NIHR, or the Department of Health and Social Care.
